thermal imaging from e2v

## Argus<sup>®</sup> 4: Remote Control

### Introduction

Simply point the remote control at your Argus<sup>®</sup>4 and you will be able to control the camera's most important functions.

The remote control allows the user to change a number of important functions on the camera including Time and Date, temperature units and much more.

The remote is small and fits nicely into one hand making it practical to use and easy to put away if not needed.

### Physical Data

- Dimensions (H x W x D): 82mm x 45mm x 13mm
- Weight: 42g

### Order Code

- P7030RC
