## Argus<sup>®</sup> 4: Rubber Front Bumper

### Introduction

Simply push the rubber rear bumper into place on any of the Argus<sup>®</sup>4 range for instant protection of the buttons and display.

The rubber rear bumper is made of heat resistant rubber so can withstand extreme temperatures.

The bumper has been designed with a small cover to reduce glare and to protect the display when the camera is dropped.

The rear bumper also helps secure the three buttons at the bottom of the Argus<sup>®</sup>4.

### Physical Data

- Material used: Santoprene<sup>®</sup>

### Order Code

- P7030RB

### Environmental Data

- Thermal conditions: -10°C (14°F) and +80°C (176°F)  
Withstand +150°C (+300°F) for 15 minutes
