thermal imaging from e2v

## Argus<sup>®</sup> TT / P -Type: Universal Security Soft Case - ARG\_TTP\_SC

### Introduction

The soft camera carry case is designed to protect as well as provide a solution to easily transport the camera without causing damage.

It has a space for the camera (P-Type or TT Type) and an easy pull cord to aid the removal of the unit from the case. It has multiple compartments to store spare lenses, battery packs, charges and any other accessories. The strap makes it easy to carry the camera on or across the shoulder.

## Physical Data

- Material: Black material water proof 1680/PVC, 585g per square meter.
